The ENERGATE Project Announces its 2nd Regional Training Workshop in Riga

Riga, Latvia - May 29, 2024 - The ENERGATE Project is gearing up for its highly anticipated 2nd Regional Training Workshop Event, hosted by the esteemed partner Riga Planning Region. This event is set to take place on May 29, 2024, at the Riga City Hall, Room 511, Rātslaukums 1, Centra rajons, Rīga, LV-1050, Latvia.

The workshop aims to focus on driving energy efficiency in public buildings, emphasising strategic financing, innovative tools, and best practices essential for making significant strides in energy conservation.

About the Workshop

What to Expect:

1. Explore effective financing incentives tailored for energy efficiency projects.

2. Learn about the latest tools including the ENERGATE platform designed to streamline financing for energy efficiency projects.

3. Engage in discussions on the current ecosystem of energy efficiency renovations, highlighting incentives, tools, and platforms that are reshaping the landscape.

4.Network with professionals and experts committed to advancing energy efficiency in public sectors.
